

The background features a gradient of blue and teal colors with a wavy, water-like pattern. A horizontal line of ten small, light blue circles is positioned across the middle of the image, just above the text.

Introducing Deluxe Gulet

Let's Dance!

Let's Dance is a 34 meter, transom stern gulet. She is absolutely one of the most spacious gulets available for charter along the Eastern Mediterranean, both above and below deck.

Built and launched in Fethiye, she was formerly known as Sea Horse. Her new owner has updated both the interior and exterior, and Let's Dance was also featured at the Turkish Yacht and Broker's Association (TYBA) yacht show in May, 2019 at Yalikavak Marina.

The entire saloon and cabins were completely refurbished by a well known Scottish interior designer, resulting in a much more contemporary, airy feel to the yacht.

Muted, neutral shades blend in beautifully with the light colored woodwork.

Let's Dance has two master, two double and one twin cabin for up to 10 guests with 5 crew.

Led by Mehmet Captain, the crew of 5+1 are a young, dynamic team who oversee all details of the charter above and below deck.

Let's Dance Crew Profile

Captain Mehmet Akyayla brings 24 years of experience to Let's Dance, and is accustomed to serving luxury clients in all aspects of Mediterranean yacht charter. A native of Bodrum, Captain Mehmet aspired to have a life at sea from a young age, with the full support of his family. He states "I'm extremely proud of my position, and what I have achieved. My first concerns are for the safety of my clients, crew and boat, and my experience at sea has given me great confidence for delivering these as well as excellent service at all times."

Chef Mehmet Karabulut was born in 1982 in Corum, a region of Turkey known for its excellent cuisine and has been in the yacht service industry since 2005. He speaks fluent English and is happy to cater to vegans, low-salt, gluten-free and other specialty requests. Having spent time in the Caribbean as a chef, he brings a unique fusion to Turkish cuisine.

Sailor/deckhand Arif Eskici was born in 2000 and is also a native of Bodrum. With a professed love of everything nautical, he brings youth and energy to the crew of Let's Dance, and assists clients with water sports, ship to shore and customer service.

Sailor/deckhand Emre Erinc was born in 1993 and is a native of Ankara, with education in Bursa. Trained as a mechanical engineer, he brings ample technical experience to Let's Dance. With perfect fluency in English, Emre brings understated sophistication and class to our clients' cruising experience.

The generous forward seating area is a favorite area to enjoy al fresco Mediterranean meals below the stars on balmy summer evenings.

The free standing sunbeds and ample deck space indeed allow for ballroom dancing.
